For over five decades, Lotus has been at the forefront of furniture and plywood innovation. Established in 2012, Lotus is more than a brand; it's a drive to empower creativity, transforming our experience into a future-focused vision for interior design. We offer high-quality High Pressure Laminates, PVC, Plywood, and Foam Board as canvases for limitless creative expression.

Beyond products, we foster a community of designers, architects, and visionaries, championing collaboration and new ideas. Our unwavering commitment to sustainability and ethics ensures the use of E0-friendly materials and legally sourced wood, building trust in our quality and vision.

At Lotus, every home is a canvas, and every detail blooms with potential. We transform spaces into masterpieces, making every environment a realm of possibility. With Lotus, we're not just innovating; we're 'Making a World of Difference' in every design.

A World of Difference

A curated selection of PVC finishes designed to inspire and transform. Our collection encapsulates both the artistry and innovation of modern design, providing a diverse range of textures and colors to bring your creative visions to life. Each swatch reflects our commitment to quality, aesthetics and environmental safety, featuring E0-rated materials for minimal formaldehyde emissions. Explore the potential and transform your spaces into narratives of unique beauty and function.
